

2 hour Equality and Diversity for Trades

Overview

This session is tailored specifically for tradesmen who work remotely from your office i.e. in the community and in people's homes. The course gives an interactive and engaging insight into the relevance and value of Equality and Diversity. The course also includes an explanation of the key points of the Equality Act 2010 to help organisations meet their legal obligations.

Who should come on the course?

Trades employees e.g repairs, plumbers, electricians etc.

Learning Outcomes

By the end of the session you will:

- Feel more positive and responsible towards equality and diversity.
- Have a deeper awareness of what the Equality Act is there for and the benefits to organisations and employees.
- Have an increased understanding of your responsibilities under the legislation.
- Know what the 9 protected characteristics are.
- Feel confident in encouraging good practice within your organisation.
