

# Half Day Understanding Disability Hate Crime

## Overview

Come on this 3 hour course to gain an insight into disability hate crimes. Understand what motivates people to commit these crimes and learn how to identify possible situations in your community. Know what the law says and what action you are able to take to both challenge an incident and also to help prevent incidents occurring in the future.

## Who should come on the course?

- People who have disabilities themselves.
- People who work with others with disabilities.
- People who work with those at risk from initiating a disability hate crime.

## Learning Outcomes

### By the end of this course you will:

- Understand what a disability hate crime is and know of real life incidents.
- Be able to recognise/identify a potential disability hate crime.
- Know what the legal position is in relation to disability hate crimes.
- Know what you can do to challenge perpetrators.
- Be aware of various strategies to prevent future incidents.
